

THz BIO workshop

Wednesday, 4 October 2017

Mechanisms of Interaction II - Bruno Brunelli Hall (16:30 - 17:30)

time	[id] title	presenter
16:30	[20] Investigation of Conformational Transitions Induced by Terahertz Radiation in Protein	Dr CHERKASOVA, Olga
16:50	[21] Characterization of electrical signal of artificial axon model for exposure to millimeter waves	Dr RAMUNDO-ORLANDO, Alfonsina
17:10	[22] Dielectric properties of skin tissues and assessment of temperature elevation by exposure at MMW and THz frequencies	Dr SASAKI, Kensuke
