# THE ROLE OF FNG IN FUSION AND SCIENCE: PERSPECTIVES IN A LEGACY

**March, 1-2, 2023**

Bruno Brunelli Hall  
ENEA Frascati  
Via Enrico Fermi 45, Frascati Italy

Celebrating a 30 year long exciting adventure...and looking forward to the future.

The Workshop is organised in occasion of FNG 30th anniversary, in recognition of the extensive work carried out in time and to look ahead at the future role of FNG in fusion and, more in general, in science and industry
