6. Once you created your indico profile you are logged in. Go to the web page of the scientific event you are interested in and register as participant

The dashboard shows the Indico logo, navigation links (Home, Create event, Room booking, My profile), a search bar, and a confirmation message: "You have successfully registered your Indico profile. Check your profile for further details and settings." Below this, there are two event categories: "FSN department" with 441 events and "DTT project" with 89 events.

7. Keep in mind your login credentials. They will be valid for the registration in all the scientific events organized by FSN and DTT (agenda.enea.it)
